Sir,

This is with reference to your letter No: STV(IT)-H-F(7)-28/General/2021-84498 dated:07.12.2021. In this regard, it is clarified that the passing month/year (as highlighted in Annexure-A) should be considered while determining the year of completion of training instead of the month/year of issuance of the certificate.

It is submitted that the Director of Elementary Education may be requested to direct all the recruiting officers under his control to strictly comply with this criterion in the ongoing as well as any such recruitment carried out in the future as well. Any further clarification in this regard may be sought at a later stage by sending an email to [hptechboard@gmail.com](mailto:hptechboard@gmail.com) after provisional acceptance of the candidature instead of outright rejection during spot counselling.

Yours faithfully
